

1-Hour Jr. Apprentice Job Descriptions

1-Hour positions are ways kids can serve during the service they attend for Harbortown. The only additional commitment will be practices and training as needed.

Tech: Elementary

Available to: 3rd through 5th grade

Arrive: 30 minutes before service starts

Description: Every service we will have two tech apprentices lead by an adult tech leader. One will be in charge of microphones and sound, and the other in charge of video and, if necessary, lights. They will make sure that cues happen on time, and that the general flow of service is kept going.

Worship Team: Elementary

Available to: 1st through 8th grade

Arrive: 30 minutes before service

Dismissed: once service is complete

Description: Worship team members will be required to learn all the motions to our worship songs and aid the teachers with worship. They will model a proper attitude for leading others in worshipping God. They will need to show up 30 minutes before service to review the motions with the teacher and will need to stay until service is complete.

First Time Friend:

Available to: 1st through 5th grade

Arrive: 30 minutes before service

Dismissed: once service is complete

Description: First time friends will partner with peers in the service to show them the ropes and guide new kids through a weekend experience. They will introduce them to other students, sit with them in small group and help them participate in Large group.

2-Hour Jr. Apprentice Job Descriptions

2-Hour positions require students to attend an age appropriate service for one hour, then serve their second hour at WCCC. The only additional commitment will be practices and training as needed.

Jr. Room Apprentice: 2 year old/Preschool/K1

Available to: 4th through 8th grade

Arrive: 30 minutes before service

Dismissed: Once kids in room are picked up or released by the small group leader.

Description: Students in the rooms will be responsible for aiding the teacher in focusing the class. They will help in whatever way is required of them. Jr. Room Apprentices are also required to attend a training session, offered 2-3 times a year.

Tech: Preschool/K1

Available to: 4th through 8th grade

Arrive: 30 minutes before service starts

Description: Every service we will have two tech apprentices lead by an adult tech leader. One will be in charge of microphones and sound, and the other in charge of video and, if necessary, lights. They will make sure that cues happen on time, and that the general flow of service is kept going.

Worship Team: Preschool/K1

Available to: 4th through 8th grade

Arrive: 30 minutes before service

Dismissed: once service is complete and kids are picked up

Description: Worship team members will be required to learn all the motions to our worship songs and aid the teachers with worship. They will model a proper attitude for leading others in worshipping God. When not leading worship, students will help in the preschool room as requested by the small group leader.

Photography Team:

Available to: 4th through 8th grade

Arrive: 30 minutes before service starts

Description: Every service we will have two tech apprentices lead by an adult tech leader. One will be in charge of microphones and sound, and the other in charge of video and, if necessary, lights. They will make sure that cues happen on time, and that the general flow of service is kept going.
