

## There is a Solution!

The purpose of Whitewater Crossing Christian Church's Celebrate Recovery is to fellowship and celebrate God's healing power in our lives. We open the door by sharing our experiences, strengths, and hopes with another. In addition, we become willing to accept God's grace in solving our life problems.

By working the Christ-centered steps and applying their biblical principles found in the Beatitudes, we begin to grow spiritually. We become free from our addictive, compulsive, and dysfunctional behaviors. This freedom creates peace, serenity, joy, and most importantly, a stronger personal relationship with God and others. As we progress through the principles and the steps, we discover our personal, loving, and forgiving Higher Power—Jesus Christ. We will no longer have to rely on our dysfunctional, compulsive, and addictive behaviors as a temporary "fix" for our pain.

## Celebrate Recovery®

"A safe place to share hurts,  
hang-ups & habits!"

## What is Celebrate Recovery?

Celebrate Recovery® is a Christ-centered and Bible-based 12-Step Program offering help and healing from life's hurts, hang-ups and habits.

### Who needs it?

Anyone who has been hurt needs Celebrate Recovery! Anyone ready to start a new life: men & women, the church and the unchurched, the addicted and their families, the guilty, sad, or compulsive...anyone in need of recovery!

### Is it a safe place?

Celebrate Recovery is a place where you can: share, find refuge and belong, give and receive caring, practice respect, be assured of confidentiality, get referral to counselors, grow strong again, learn vital life lessons, dare to take healthy risks, take off your mask and decide to change your life!

### Who leads it?

Celebrate Recovery is conducted by Christians who have been through 12-step recovery themselves. They understand. These individuals can truly understand and lead others.

## Is Celebrate Recovery for Me?

### Do any of these apply to you?

- Do you lose sleep because of what you or someone is doing or has done?
- Do you make threats?
- Do you have increasing bad feelings toward other people?
- Do you think that everything would be okay if the situation changed?
- Do you feel alone, rejected, fearful, angry, guilty, resentment or exhausted?
- Are you feeling an increasing dislike of yourself?
- Do you find your moods changing as a direct result of someone else's behavior?
- Do you make excuses for yourself or someone else?
- Do you feel responsible and guilty for their behavior?
- Are you beginning to withdraw from friends and outside activities?
- Have you taken over responsibilities that used to be handled by the other person or vice versa?
- Are there arguments because money is misused?
- Do you have any new physical symptoms like headaches, indigestion, nausea, shakiness?
- Do you feel defeated or hopeless?
- Is your work suffering because of an issue or behavior?

## Secrets of Success

Perhaps you are wondering why CR is so successful in thousands of churches across the country and abroad. There are three reasons why:

- Jesus Christ is our Higher Power.
- Issue Groups are led by real people who have been through recovery with Him.
- The principles and methods are built upon Biblical truths.

### Only you can decide...

Only you can decide whether you think Celebrate Recovery is for you. Try to keep an open mind on the subject. Celebrate Recovery does not promise to solve your life's problems, but we can show you how we are learning to live with the help of our Higher Power—Jesus Christ.

And when we are free from the past, we find life is much more manageable with Christ's power.
