

A Call to Arms, Legs and Feet...

The Life Center is looking to amass a reserve of volunteers who might have temporary availability and desire to be at the ready to serve in various food and financial resourcing roles. During this crazy time, we want to be proactive in identifying and training additional volunteer staff as we recognize an increasing need for resources. You would be recruited and trained but not deployed until the need arises. It's a temporary, short term, and on stand by commitment. Kind of like being in the National Guard, a manner in which we have never recruited for before. Here are the reserve team member roles we are seeking to fill and train you for:

Administrative Roles:

Desk Host:

What: Man the Life Center phones; make appointments for pantry visits, emergency bag pick-ups

When: One or more shifts, at your availability, during LC hours on Tuesday/Thursday evenings 5:00 PM-7:30 PM and Saturdays 9AM -Noon

Interaction: No in person public interaction; social distancing with limited team member volunteers in the Life Center Reception Area and Pantry; best disinfecting practices and personal handwashing. Protective gloves available

Intake Host:

What: Takes application for resourcing request to new appicate who has been instructed to stay in the car. Obtains documentation for need and ID; informs and directs applicants on next steps

When: One or more shifts, at your availability, during LC hours on Tuesday/Thursday evenings 5:00 PM-7:30 PM and Saturdays 9AM -Noon

Interaction: 0-4 very limited, outdoor interactions with applicants during a shift; social distancing within the Life Center reception area with limited volunteers; best disinfecting practices and personal handwashing. Protective gloves available
